Outcome 1 *

Max. 255 characters

Performance Indicators for Outcome 1 *

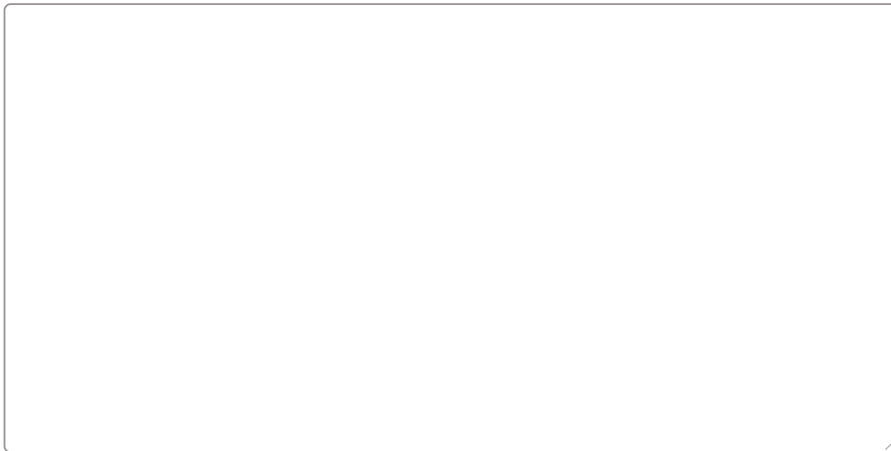

For each outcome, please frame at least two indicators. An indicator is a statement, either qualitative or quantitative, related to some aspect of the outcome, and allows us to directly measure progress towards achieving the outcome. It must be Specific, Measurable, Achievable, Relevant and Time-Bound (SMART). Do not restate an output of the project as an indicator. The indicator must go BEYOND the level of the output/s to actually measure the positive results/impact of the output/s towards achieving the outcome. e.g: % of indigenous populations aware of their rights under the new electoral administration laws. Max 400 characters.

Outputs for Outcome 1 *

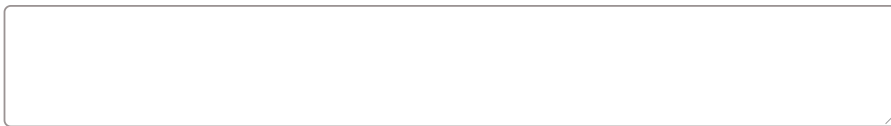

Describe the immediate realizations generated by the key activities. These are measurable products (100 women leaders trained, 80 public debates held, 1000 copies of report published, etc.). Several outputs will contribute to the achievement of one outcome. Max 1000. Characters.

Key Activities for Outcome 1 *

Describe the key activities that will be undertaken for each output mentioned above. More than one activity can contribute to the achievement of one output. Max 600 characters.

Outcome 2 *
